Maryland Writers Association Fiction Prize for Best Drama

THE WISE MAN, A NOVEL

Finn Mitchell has grown up in the shadow of his father, U.S. President Leif Mitchell, but is now ready to step into the limelight in his own right after successfully vying with his stepbrother to become the newest member of the Supreme Court—which is poised to hear a landmark case that may overturn the infamous Roe v. Wade decision forever.

Along his journey, Finn has also accumulated much in addition to his judicial prowess—wealth beyond most men's wildest dreams, women who fawn over his handsome good looks and charming ways, and a secret empire involving a virtual reality tourism attraction on his private island that is about to explode.

But Finn's desire for more is daunting and he finally realizes you can't always get everything you want even if you are one of the wisest, wealthiest, most attractive, successful and entitled men on earth...and you can't fill the God-shaped hole in your soul with all the riches of the universe.

An epic contemporary suspense based on the Bible's Book of Solomon, *The Wise Man* will bring to light the question, "*What good is it for someone to gain the whole world, yet forfeit their soul?*"

Seeking literary agency representation, available immediately in its entirety – approx. 83,000 words
